

Local public agencies are working together to protect the region's precious groundwater resources.

JOIN US FOR A VIRTUAL PUBLIC WORKSHOP

Tuesday, July 21
5:30 p.m. – 7:00 p.m.

Did you know recent state legislation—the Sustainable Groundwater Management Act—now requires local public agencies to work together to create a plan to sustainably manage groundwater? Attend this workshop to learn more about the legislation and how you can participate in this planning process.

The workshop will be held virtually via GoToWebinar, an online format with call-in and video capabilities. Pre-registration is required to attend the webinar. To register, visit: <https://tinyurl.com/y9jmarho>.

For more information or for help to join the webinar, contact Kirsten Pringle, at 916-418-8243 or kirsten.pringle@stantec.com.
