MARK MAGGIORE Director Division II

AMANJIT SINGH SANDHU Director Division IV

AGENDA

CHARLES TUSO President Division V

TOM PEREIRA Director Division VI

JACK ALVAREZ Vice-President Division VII

EDWIN PATTISON General Manager

Regular Meeting of the Board of Directors In Person Meeting 7995 Bruns Road, Byron, CA 94514

January 21, 2025 10:00 AM

The Board may act on any of the items listed on this agenda regardless of whether an item is described as an action item, a report, or an informational or discussion item. As provided under Government Code section 54954.3, subdivision (a), during a Regular Meeting members of the public may address the Board concerning any item on the agenda or on any matter within the jurisdiction of the Byron-Bethany Irrigation District by filling out a speaker request form, available at the Auditorium or conference room entrance, and submitting the speaker form to the District Secretary/General Manager. Comments will be taken during the "Public Comment" section of the agenda.

This facility complies with the Americans with Disabilities Act. If any special accommodations are needed for you to participate, please contact the District Secretary/General Manager not less than 24 hours prior to the start of the Board meeting.

Agendas, agenda-packet materials, and other supporting documents are available for inspection at the District headquarters. A fee will be charged for copies.

Food will be available for staff and Board members during the half-hour before the Board meeting. If Board members are present, they will not discuss District business.

- I. CALL MEETING TO ORDER
- II. PLEDGE OF ALLEGIANCE
- III. ROLL CALL
- IV. ADOPTION OF THE AGENDA AND TO CONSIDER ADDTIONS OR CORRECTIONS TO THE AGENDA OF ITEMS, AS AUTHORIZED BY GOVERNMENT CODE SECTION 54950 et seq.
- V. PUBLIC COMMENT (Please observe a two-minute time limit)

This section of the agenda is provided so that the public may express comments on any item on the agenda or on matters within the District's jurisdiction not listed on the agenda. Unless extended by the Board President, public comment is limited to no more than two (2) minutes

per person and twenty (20) minutes total for all speakers. Board members may refer a matter to staff, or direct staff to place a matter of business on a future agenda.

VI. CONSENT CALENDAR

The following items are routine and non-controversial and can be acted on in one consolidated motion as recommended, or at the request of any Director all or some of the items may be removed from the Consent Calendar and separately considered.

- 1. Approve Meeting Minute Summary of December 10, 2024.
- 2. Accept Treasurer's Reports and Reconciliations for the Month of December 2024.
- 3. Approve Check Registers for the Month of December 2024.

VII. DISCUSSION/ACTION CALENDAR

Directors
Consultants
General Counsel
General Manager

IX. CLOSED SESSION

7. CONFERENCE WITH LEGAL COUNSEL – EXISTING LITIGATION (one case under Govt. Code, § 54956.9, subsection (d)(1)): State Water Resources Curtailment Cases, case No. 22CV402030 (CJJP No. 5229)

X. ADJOURNMENT

CHARLES TUSO President Division V

JACK ALVAREZ Vice President Division VII

MARK MAGGIORE Director Division II

AMANJIT SINGH SANDHU Director Division IV

AGENDA ITEM NO: 1

TIM MAGGIORE Director Division III

TOM PEREIRA Director Division VI

PETE PETROVICH Director Division I

EDWIN PATTISON General Manager

Regular Meeting of the Board of Directors In Person Meeting Tuesday, December 10, 2024 10:00 AM

PLEDGE OF ALLEGIANCE CALL TO ORDER – ROLL CALL 10:03 a.m.

Adoption of the Agenda

(M/S/C Petrovich/Alvarez) Alvarez, M.Maggiore, Pereira, Petrovich, and Tuso; Absent: T.Maggiore, Sandhu)

PUBLIC COMMENT (Please observe a three-minute time limit)

This section of the agenda is provided so that the public may express comments on any item within the District's jurisdiction not listed on the agenda. Board members may refer a matter to staff, or follow Board procedures to direct staff to place a matter of business on a future agenda. The public may express comments on agenda items at the time of Board consideration.

CONSENT CALENDAR

- 1. Approve Meeting Minute Summary of November 19, 2024.
- 2. Accept Treasurer's Reports and Reconciliations for the Month of November 2024.
- 3. Approve Check Registers for the Month of November 2024.
- 4. Approve Amendment to Agreement for General Manager Employment.
- 5. Approve Execution of Quitclaim of Irrigation Easements on Assessor Parcel Numbers 209-40-004 and 209-40-009, located East of Hansen Road, to Prologis, LP.

General Manager Ed Pattison provided the Board of Directors with a brief explanation regarding agenda item 5, explaining to the Board that the District has no responsibility or water source available with those particular parcel numbers 209-40-004 ad 209-40-009, located East of Hansen Road, to Prologis, LP.

Adoption of the Consent Calendar

(M/S/C Alvarez/Petrovich) Alvarez, M.Maggiore, T.Maggiore, Pereira, Petrovich, Sandhu and Tuso; Absent: 0)

DISCUSSION/ACTION CALENDAR

6. Presentation by Foley & Lardner LLP and California Advocates Regarding State and Federal Legislative Activities.

Mr. Dennis Cardoza, Foley & Larder LLP presented to the Board of Directors a federal legislative update and how the District has developed a positive relationship with Congressman Harder and the United States Army Corps of Engineers and other federal legislators regarding the Wicklund Cut Pump Station Improvement Project, it represents the largest capital improvement project that BBID is managing. Mr. Cardoza expressed the \$2.5M is in the budget queue and awaiting approval by Congress. Mr. Cardoza briefly summarized the 2024 presidential election results, the Trump administration direction, polls and results and which candidates and legislative activities will affect the District and the central valley. Additionally, Mr. Cardoza briefly summarized several different court cases and rulings and expressed to the Board that it's a big year for environmental litigation. Mr. Dennis Albiani and Mr. Adam Quinonez, California Advocates, presented a state legislative advocacy update and updated the Board on the three new state legislatures, state senator and assembly members. General Manager Ed Pattison presented "Using Every Drop" video produced by Mr. Nick Janes, J'Comm, to the Board of Directors showing the District's plan to explore water transfers as a means to fund critically necessary upgrades to its aging infrastructure, securing the future of water reliability for farmers, ranchers and rapidly-developing communities. GM Pattison expressed how the video will get the narrative in line for the upcoming meeting with the Department of Water Resources and the United States of Bureau of Reclamation.

7. Discuss Issues and Possible District Policy regarding Quitclaiming District Irrigation Easements.

General Counsel Mike Vergara and Aly Ackerman, Somach Simmons & Dunn, presented this item to the Board as a discussion regarding approving a template quitclaim easement procedure due to frequent requests from landowners and developers to relinquish District easements for its irrigation infrastructure or water service. Ms. Aly Ackerman explained to the Board that easements are interests in land and they require time and money to acquire, plot, and/or record, such that they have value to the easement holder in addition to the inherent value of holding such property interest. In response to growing requests to relinquish recorded easements, the District will develop a policy and be more diligent with receiving reimbursement. The legal team expressed how they will bring this item back to the Board with a policy moving forward. Additionally, every individual quitclaim process needs to be presented to the Board for approval.

8. Presentation of BBID's 2025 Draft Budget and Capital Improvement Plan.

General Manager Ed Pattison presented an overview of the draft 2025 calendar year budget and capital improvement plan, and overall strategy that will form the basis for an appropriate business plan to meet the current and future needs of the district, i.e., capital improvement planning projects, irrigation district modernization, revenue generation, the future potential for retail power, diversification of customers, etc. GM Pattison provided a breakdown of the major District capital improvement projects and their importance, such as automating the Smith Pumps and District metering. GM Pattison reported to the Board, the Finance Committee proposed a 4% Cost of Living Adjustment (COLA) increase in compensation for employees and summarized the 6 unfilled positions that are budgeted for the upcoming year.

Mr. Jerimy Borchardt, Hazen and Sawyer Consulting Engineers, presented to the Board of Directors Hazen is in the process of reviewing the draft Agricultural Water Management Plan. Mr. Borchardt reported on having a policy in place for developers to notify the District about completed projects that are within BBID District boundaries, as well as the start of any project Mr. Nick Janes, J'Comm, expressed to the Board how he shared "The Seed to Plate" video at the recent Association of California Water Agencies (ACWA) Conference. Additionally, Mr. Janes reported his working efforts with Provost and Pritchard Consulting Agricultural Engineers and BBID's legal team on the presentation regarding water conservation study to date and a possible water transfer program.

ADJOURNMENT 12:04 p.m.

Submitted on December 26, 2024

Approved on January 21, 2025

Account Overview

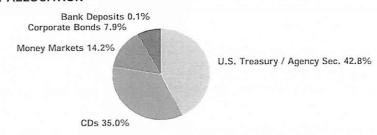

CHANGE IN ACCOUNT VALUE	Current Period	Year-to-Date
BEGINNING VALUE	\$17,104,160.31	\$16,314,007.84
Additions and Withdrawals	\$4,500,000.00	\$4,500,000.00
Misc. & Corporate Actions	\$0.00	\$0.00
Income	\$55,525.93	\$788,486.93
Taxes, Fees and Expenses	\$0.00	\$0.00
Other Activity	\$0.00	\$1,753.12
Change in Value	(\$58,492.42)	(\$3,054.07)
ENDING VALUE (AS OF 12/31/24)	\$21,601,193.82	\$21,601,193.82
Total Accrued Interest	\$160,033.81	
Ending Value with Accrued Interest	\$21,761,227.63	

Refer to Miscellaneous Footnotes for more information on Change in Value.

TOTAL INCOME	\$55,525.93	\$788,486.93
TOTAL TAXABLE	\$55,525.93	\$788,486.93
Taxable Interest	\$52,410.95	\$770,330.83
Taxable Dividends	\$3,114.98	\$18,156.10
TAXABLE	Current Period	Year-to-Date
INCOME		

Taxable income is determined based on information available to NFS at the time the statement was prepared, and is subject to change. Final information on taxation of interest and dividends is available on Form 1099-Div, which is mailed in February of the subsequent year.

ACCOUNT ALLOCATION

U.S. Treasury / Agency Sec.	42.8 100.0 %	\$8,767,225.80 \$17,104,160.31	\$9,237,131.15 \$21,601,193.82
Corporate Bonds	7.9	\$523,506.50	\$1,696,681.00
CDs	35.0	\$7,798,365.30	\$7,564,430.59
Bank Deposits	0.1	\$14,196.51	\$27,210.26
Money Markets	14.2 %	\$866.20	\$3,075,740.82
	Percent	Prior Period	Current Period

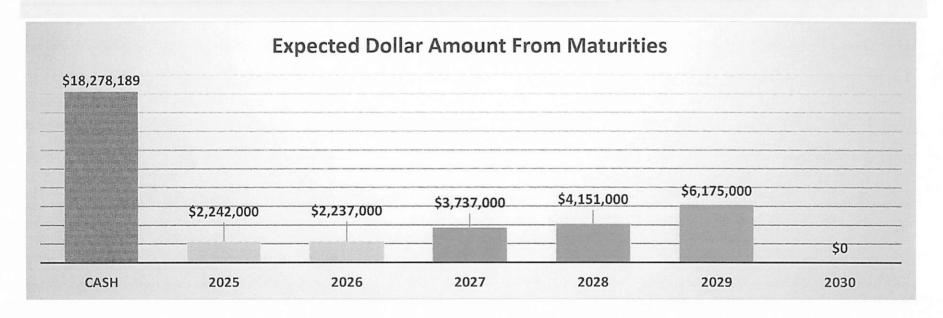

Account Allocation shows the percentage that each asset class represents of your total account value. Account Allocation for equities, fixed income, and other categories may include mutual funds and may be net of short positions. NFS has made assumptions concerning how certain mutual funds are allocated. Closed-end mutual funds and Exchange Traded Products (ETPs) listed on an exchange may be included in the equity allocation. The chart may not reflect your actual portfolio allocation. Consult your broker/dealer prior to making investment decisions.

BYRON-BETHANY IRRIGATION DISTRICT STAFF REPORT

TO:

THE HONORABLE PRESIDENT AND MEMBERS OF THE BOARD

FROM:

EDWIN PATTISON, GENERAL MANAGER

DATE:

JANUARY 21, 2025

SUBJECT:

OPERATING AND CAPITAL BUDGET AND WAGE SCHEDULE FOR

CALENDAR YEAR 2025

RECOMMENDATION

Staff recommends adoption of the resolution approving the Calendar Year 2025 Operating and Capital Budget and Wage Schedule.

DISCUSSION

Adoption of the budget is a key action taken by the Board of Directors and provides the necessary basis to pursue the Byron Bethany Irrigation District's (BBID or District) Vision, Mission, and Goals. The budget is the District's financial work plan translated in expenditures and supported by revenues. It establishes the District's policy direction for the near-term, and to the extent the decisions have continuing implications, it also establishes long-term direction.

The draft budget, capital improvement plan, and wage schedule has been presented to the Board of Directors on multiple occasions for review and discussion. The Finance Committee met to review the draft budget package on November 21, 2024, with the full Board of Directors reviewing the draft budget package at its December board meeting. The result of the review is to support the draft budget as presented and provide employees a four-percent cost of living adjustment to wages based on the bay area consumer price index. Water rates for 2025 will be brought to the Board for approval at an upcoming meeting once Central Valley Project rates are confirmed in February.

BACKGROUND

BBID is a public (governmental) agency formed under the California Irrigation District Act with legal powers necessary to carry out its many legal functions, one of which is to draft budgets to allocate scarce funds to carry out its mission, vision, and goals. The attached draft budget organizes District functions in a typical public sector format that includes detailed schedules showing various components of the District's budget and financial data to provide in-depth information and transparency about how the District expends its funds. Revenue and expenditure schedules are followed by descriptions that define the revenue or expenditure type. The budget summary schedule displays the entire District budget at-a-glance. Individual departmental operating budgets break down expenditure categories to functional area and include a personnel summary defining the departments.

FISCAL IMPACT

The Calendar Year budget reflects a slight deficit budget with a Total District Operations Budget of \$11,029,138, as compared to last year's operating budget of \$10,173,011, and a Total Capital Outlay of \$\$3,185,922, as compared to last year's capital outlay of 3,182,846, for a total 2023 Budget Expenditure of \$14,215,060 compared to last year's approved total budget of \$13,355,857, which represents an increase in total budget expenditures of \$859,203. Total Estimated Revenue for 2025 is \$13,718,484, leaving a budget deficit estimated at \$496,575, assuming all board approved positions are filled. The expectation is four of the six approved positions will not be filled during 2025 leaving a balanced budget. Any water transfer revenue in 2025 is not included in the budget as it is too early to predict what if any and how much revenue BBID should anticipate.

ATTACHMENTS

RESOLUTION 2025-1

ADOPTION OF THE 2025 BUDGET AND RELATED MATTERS THERETO

BE IT RESOLVED, by the Board of Directors of the BYRON BETHANY IRRIGATION DISTRICT that the budget for Calendar Year 2025, attached hereto and incorporated herein by reference, be adopted as follows:

SALARIES & WAGES	
Operations & Maintenance	2,697,965
Administration	1,531,813
TOTAL WAGES	\$ 4,229,778
EXPENDITURES	
Operations, Supply, Engineering & Maintenance	2,951,000
General & Administrative	3,848,360
TOTAL EXPENDITURES	\$ 6,799,360
TOTAL DISTRICT OPERATIONS	\$ 11,029,138
CAPITAL OUTLAY	
BBJPA Series 2017	270,142
BBJPA Series 2018	427,580
BBPFA Series 2021 (P&I)	488,200
Capital Improvement	2,000,000
TOTAL CAPITAL OUTLAY	\$ 3,185,922
TOTAL PROJECTED BUDGET EXPENDITURES	\$ 14,215,060
TOTAL PROJECTED BUDGET REVENUE	\$ 13,718,484

PASSED AND ADOPTED at a regular meeting of the Board of Directors of Byron Bethany Irrigation District on January 21, 2025 by the following vote:

Ayes:	
Noes:	
Abstained:	
Absent:	
	Mr. Charles Tuso, President
	Secretary's Certification
	rd of Directors of the Byron Bethany Irrigation District, do hereby certify that the foregoing red into the Minutes of the Regular Meeting of January 21, 2025 at which time a quorum wal the above resolution was made.

BYRON-BETHANY IRRIGATION DISTRICT STAFF REPORT

TO:

THE HONORABLE PRESIDENT AND MEMBERS OF THE BOARD

FROM:

EDWIN PATTISON

DATE:

JANUARY 21, 2025

SUBJECT:

EXCLUSIVE NEGOTIATING AGREEMENT FOR A POTENTIAL

SOLAR PROJECT

RECOMMENDATION

Authorize the District's General Manager and general counsel to negotiate the terms of an Exclusive Negotiating Agreement (Agreement) with Private Public Infrastructure Group, LLC, a California limited liability company (PPIG) relating to the construction of a solar energy project.

DISCUSSION

PPIG approached the District with interest in exploring a potential solar energy project (Project) to be constructed over a portion of the Wicklund Cut, and presented the District's General Manager with a draft agreement. The District is authorized under the Water Code to provide electricity within its boundaries. The agreement contemplates the future construction of the Project and provides PPIG with an exclusive right to conduct necessary due diligence to confirm the feasibility of the Project prior to negotiating in good faith subsequent agreements with the District addressing financing, construction, and operation of the Project.

BACKGROUND

On July 30, 2021, Governor Newsom signed an emergency proclamation expediting clean energy projects to relieve demand on the electrical grid during extreme weather events. On April 25, 2024, the Governor proclaimed that California had achieved a major

clean energy victory with over 10,000 megawatts of battery storage in place. On April 4, 2024, the Governor announced that California will innovate to generate clean electricity while conserving water, and that Solar-Over-Canal projects will play a role in that effort.

FISCAL IMPACT

None.

ATTACHMENTS

Draft Exclusive Negotiating Agreement for a Potential Solar Project

EXCLUSIVE NEGOTIATING AGREEMENT

THIS EXCLUSIVE NEGOTIATING AGREEMENT (the "*ENA*") is dated as of November____, 2024 (the "*Effective Date*") and is entered into by and between Private Public Infrastructure Group, LLC, a California limited liability company ("*PPIG*") and BYRON BETHANY IRRIGATION DISTRICT ("*District*"). PPIG and District are sometimes herein referred to individually as a "Party" and collectively as the "Parties."

RECITALS

- A. On July 30, 2021, California's Governor signed an emergency proclamation to expedite clean energy projects and relieve demand on the electrical grid during extreme weather events.
- B. On April 25, 2024, the Governor proclaimed that California had achieved a major clean energy victory with over 10,000 megawatts of battery storage in place.
- C. On April 4, 2024, the Governor announced that California would be pioneering innovations to generate clean electricity while conserving water, and that Solar-Over-Canal projects would be coming to California.
- D. California, through its Legislature, has set a goal to reach 100% clean electricity by 2045.
- To help achieve these goals and objectives, District and PPIG desire to work together in accordance with the terms and conditions set forth herein to define, entitle, develop, finance, install, and operate an energy generation project capable of generating a minimum of eight (8) MW annually to be constructed within District's boundaries, including within the entirety of the right of way for District's Wicklund Cut canal, and likely in the form of solar panels installed on, above and/or adjacent to such canal (the "Solar Project"). District and PPIG desire to enter into this ENA in order to: (1) provide an exclusive opportunity for PPIG to conduct further due diligence and evaluation regarding the Feasibility (as defined below) of the Solar Project (which will involve a significant financial investment on the part of PPIG and/or its financial partner(s)); (2) upon notice from PPIG to District, negotiate a mutually acceptable nonbinding Memorandum of Understanding ("MOU") to more precisely define the nature and scope of the Solar Project and to establish the key terms and conditions of the Master Agreement (as defined below); and (3) upon execution of the MOU by the Parties, negotiate a mutually acceptable binding agreement (the "Master Agreement") that would include all terms and conditions required to fully implement the Solar Project, including the terms and conditions specified in the MOU. As used herein, "Feasibility" means PPIG's due diligence review and evaluation of the scope, technical feasibility and economic viability of the Solar Project, as determined by PPIG. Should the Parties execute the MOU and thereafter negotiate the Master Agreement during the Term, it is anticipated that the MOU and the Master Agreement will include, among others, provisions for: (1) PPIG to agree to fund and/or attempt to procure funding for the costs associated with the design, environmental review, permitting, and construction of the Solar Project, including, without limitation, District's actual costs incurred in connection therewith; (2) PPIG to agree to cause the Solar Project to be constructed by a

specified date, subject to specific timing parameters and milestones and further subject to any force majeure delays; (3) District's use of a portion of the energy produced by the Solar Project to reduce District's energy demands; and (4) the sale of the remainder of the energy produced by the Solar Project pursuant to a long-term (25-30 years) power offtake agreement for the Parties' mutual financial benefit.

F. For the reasons set forth above in these Recitals, the Parties desire to enter into this ENA so that District Staff ("Staff"), subject to the approval of District's Board of Directors ("District Board"), can enable PPIG to conduct the necessary due diligence to confirm the Feasibility of the Solar Project, following which, upon written notice from PPIG to District, the Parties will attempt to negotiate with diligence and in good faith (i) the terms of the MOU and (ii) following the execution of the MOU, the Master Agreement, in each case on an exclusive basis and prior to the Termination Date (as defined below).

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, the Parties agree as follows:

AGREEMENT

- 1. Term. Unless otherwise terminated earlier pursuant to Sections (1)(a), 1(b), or 9(c) below, this ENA shall become effective on the Effective Date and shall remain in effect for two (2) calendar years thereafter, subject to the authority of District's General Manager, upon PPIG's request, to extend the term for up to two additional periods of one (1) year each pursuant to this Section 1 (such period, as so extended, the "Term"). District's General Manager shall approve any such extension request so long as s/he reasonably determines that reasonable progress is being made in the negotiations of the MOU or the Master Agreement, as the case may be, and that PPIG has operated in good faith to achieve its Performance Milestones (as defined below). The last day of the Term shall be referred to as the "Termination Date". On the Termination Date, this ENA shall automatically terminate except for any provisions set forth herein that expressly survive termination of this ENA, and District shall return all materials provided to District by PPIG pursuant to Section 2(c) below within five (5) days of the Termination Date. This Section 1 shall survive the Termination Date.
- (a) <u>Termination by PPIG</u>. PPIG shall have the right to unilaterally terminate this ENA, without the need to show a District default, upon ten (10) days' prior written notice to District. Provided, however, that because of the substantial financial investment being made by PPIG in reliance on this ENA, District shall not have the right to unilaterally terminate this ENA except in the event of a PPIG default pursuant to <u>Section 9(c)</u> below.
- (b) Termination as a Result of Parties Entering into Master Agreement. The intent of this ENA is to provide PPIG with the exclusive opportunity to further explore the Feasibility of the Solar Project and thereafter, following notice from PPIG to District, for the Parties to exclusively negotiate the MOU and the Master Agreement during the Term, with the goal that each of the MOU and the Master Agreement would be submitted for formal approval and execution by District Board and PPIG prior to the Termination Date. The Parties acknowledge and agree that a decision by District Board to (i) approve the MOU would not require environmental review under the California Environmental Quality Act ("CEQA") or the

National Environmental Protection Act ("NEPA") and (ii) approve the Master Agreement would require compliance with CEQA, and may also require compliance with NEPA. At this early stage, the specific provisions of the MOU, the Master Agreement and/or the scope of the Solar Project are not yet known. However, if and to the extent the approval of the Master Agreement requires compliance with CEQA and/or NEPA prior to District Board taking any action on the Master Agreement, then the Parties agree that District shall do so. This ENA shall automatically terminate pursuant to Section 1 above upon the Master Agreement being executed by the Parties and becoming effective.

- (c) <u>Rights Following Termination</u>. Upon the Termination of this ENA, neither Party shall have any further rights or obligations under this ENA, except as otherwise expressly provided herein. Unless a Master Agreement is approved by District Board and executed by both Parties, the Parties acknowledge and agree that following the Termination Date the Parties may pursue, in their respective discretion, any other arrangement regarding energy facilities that they each may deem desirable and/or appropriate.
- 2. District Costs; PPIG Deposit. Within ten (10) days of the execution of the MOU, PPIG shall deposit the amount of Thirty Thousand Dollars (\$30,000.00) (the "Reimbursement Funds") with District. Within ten (10) days of this deposit, and monthly thereafter as needed, PPIG shall reimburse District for its actual out-of-pocket costs and expenses (including legal fees and consultant costs) incurred by District after the execution of the MOU in fulfilling its obligations under this ENA. These costs shall consist of the following: (i) negotiating and preparing the Master Agreement; (ii) conducting any necessary appraisals, economic consultants, attorneys, and other evaluations of the Solar Project and proposed transaction terms; (iii) District (non-attorney) staff time at Fifty Dollars (\$50) per hour, not exceeding a total of Seven Thousand Five Hundred Dollars (\$7,500.00) before proceeding with the Master Agreement; and (iv) CEQA compliance costs related consideration by District Board of the Master Agreement (collectively, the "Reimbursable Costs"). The Reimbursement Funds may be used by District to cover Reimbursable Costs incurred after the execution of the MOU to the extent not covered directly by PPIG. If the unapplied Reimbursement Funds are insufficient to cover accrued or anticipated Reimbursable Costs payable within the next thirty (30) days, PPIG shall replenish the funds within ten (10) days of a written demand by the District General Manager. District shall provide PPIG with a monthly accounting detailing the Reimbursable Costs covered by the Reimbursement Funds. Any Reimbursement Funds not used during the Term of the ENA shall be returned to PPIG, along with a final accounting, within thirty (30) business days after the Termination Date. This Section 2 shall survive the Termination Date. Subject to the final sentence of this Section 2, District reserves the right to defer evaluation of Solar Project submittals, halt staff and consultant work, and suspend negotiations if the Reimbursement Funds are insufficient to cover projected Reimbursable Costs. Once the funds are replenished, District shall promptly resume its work in accordance with its obligations under this ENA. All amounts paid to District as reimbursement for Reimbursable Costs shall be recouped by PPIG as provided for in the Master Agreement. Notwithstanding anything to the contrary in this Agreement, including, without limitation, this Section 2, PPIG shall not be required to reimburse or otherwise fund any Reimbursable Costs (i) in connection with the negotiation, approval and execution of the MOU or (ii) in excess of \$[in connection with the negotiation, approval and execution of the Master Agreement.

- 3. <u>CEQA</u>. As mentioned in <u>Section 1(b)</u> above, the Parties acknowledge and agree that District Board's approval of the Master Agreement will require District, as the lead agency, to conduct an environmental review under CEQA. At this early stage, the specific terms of the Master Agreement are not yet determined. However, to the extent District is required to comply with CEQA before District Board takes any action on the Master Agreement, this may necessitate the preparation of reports and/or analyses for CEQA purposes (collectively referred to as the "*CEQA Documents*"). PPIG shall, at its own expense, fully cooperate with the District in preparing any CEQA Documents required in order for District to take action on the Master Agreement.
- 4. <u>District Board Not Bound</u>. The Parties acknowledge and agree that no Party is obligated to approve or enter into the MOU or the Master Agreement. Despite the approval of this ENA, each Party retains the right to reject any proposed MOU or Master Agreement at its sole and absolute discretion. In this context, PPIG explicitly agrees that District Board is not bound by any implied covenant of good faith and fair dealing as such covenant would relate to the approval or disapproval of any MOU or Master Agreement.
- 5. <u>Indemnity by PPIG.</u> Subject to <u>Section 1(a)</u> above, PPIG shall indemnify, defend, and hold harmless the District and its officers, directors, members, employees, agents, contractors, and affiliated entities from any and all claims, liabilities, damages, costs, and expenses arising from District's approval of this ENA, including any challenges based on CEQA noncompliance or other grounds. PPIG's obligations under this provision shall survive the Termination Date.
- 6. Assignment. PPIG represents and warrants that its undertakings pursuant to this ENA are for the purpose of developing the Solar Project and not for speculation, and PPIG recognizes that, in view of the importance of such a project to the general welfare of the District, the qualifications and identity of PPIG and its principals are of particular concern to District; therefore, this ENA may not be assigned by PPIG to any person or entity that is not an affiliate of PPIG without the prior express written consent of District Manager, which consent shall not be unreasonably withheld or delayed.

7. Exclusive Good Faith Negotiations; Performance Milestones.

(a) Exclusivity of Negotiations. During the Term, PPIG shall have the exclusive rights to evaluate the Feasibility of the Solar Project and to negotiate the MOU and Master Agreement with District. Consistent with the purposes of this ENA, during the Term, District shall not (i) solicit, initiate, facilitate, permit or encourage any individual or entity other than PPIG to perform any due diligence on or otherwise evaluate the Solar Project, including, without limitation, the Feasibility thereof, or (ii) participate in any discussions, conversations, negotiations or other communications regarding any offer, proposal, memorandum of understanding, term sheet or other understanding or agreement (whether in writing or not) relating to the Solar Project with individuals or entities other than PPIG and its advisors, including any communications relating to the MOU or the Master Agreement (or other agreements with similar purpose, terms or conditions). Notwithstanding anything to the contrary in the foregoing, the Parties acknowledge and agree that PPIG shall have at all times the right to perform due diligence on projects with other public agencies and to negotiate with such agencies

-4-

in respect thereof, as any such activities by PPIG shall not impair the ability of the Parties to fulfill their respective obligations with regard to the Solar Project under this ENA, the MOU or the Master Agreement.

- (b) <u>Good Faith Negotiations; Performance Milestones</u>. Upon PPIG completing its evaluation of the Feasibility of the Solar Project, and if PPIG provides written notice to District of PPIG's decision to pursue the MOU, then PPIG and District Staff shall work together to negotiate the terms and conditions of the MOU. If the MOU is executed by the Parties following its approval by District Board, then PPIG and District Staff shall work together to negotiate the terms and conditions of the Master Agreement in accordance with the MOU. The Parties acknowledge and agree that various tasks must be performed during the Term to facilitate the timely good faith negotiations contemplated herein. To that end, subject to <u>Section 1(a)</u> above, the Parties shall use good faith and diligent efforts to meet the following "*Performance Milestones*":
- During the Term, PPIG, with District's cooperation, shall use good (i) faith efforts to complete its evaluation of the Feasibility of the Solar Project, which may include, without limitation, discussions with relevant federal, state and local agencies related to, and appropriate evaluation of, any required water rights permit, Delta considerations, energy contracts, rights of ways, use restriction and related processes; evaluation of generation, storage, and transmission options for electrical power; evaluation of the ability to use federal or state facilities for further transmission; discussions with potential buyers of power; and/or discussions with relevant land owners regarding potential right(s) of way options. In connection with the foregoing, upon PPIG's request, District shall provide the approximate quantity of land that District anticipates will be involved in the Solar Project, which shall not be less than the total area of the Wicklund Cut right of way. District shall also grant PPIG representatives reasonable access to review current and planned Wicklund Cut Pump Station operations; and District shall inform PPIG of any lands owned by District that may be made available, as appropriate and allowed for under applicable laws, to facilitate implementation of the Solar Project (e.g., for rights of way, pumping, storage, power supply, and/or storage of said electrical power).
- (ii) During the Term, provided the Parties have executed the MOU and mutually decided to proceed with negotiating the Master Agreement, PPIG shall make good faith efforts to secure private financing for the Solar Project. It is understood that except as otherwise provided in this ENA all financial risks associated with designing, permitting (including completing environmental reviews under CEQA and any required under NEPA), and constructing the Solar Project shall be borne solely by PPIG, subject to the terms and conditions of the Master Agreement including any potential cost sharing arrangement. Notwithstanding the foregoing, the Parties acknowledge that an approved and fully executed Master Agreement will be necessary to secure the final round of financing required for the Solar Project.
- (iii) During the Term, provided the Parties have executed the MOU and mutually decided to proceed with negotiating the Master Agreement, PPIG shall make good faith efforts to secure long-term (25-30-year) buyers for the additional electrical power generated by the Solar Project. The purchase of this electrical power will be contingent upon the execution of the Master Agreement, the approval, construction, and implementation of the Solar Project, and the commencement of electrical power deliveries.

- (iv) During the Term, provided the Parties have executed the MOU and mutually decided to proceed with negotiating the Master Agreement, PPIG shall provide District with a draft description of the anticipated PPIG and District components for the Solar Project, based on the information available at that time. During the Term, PPIG and District Staff shall collaborate to finalize the Solar Project description for inclusion in the Master Agreement.
- (v) During the Term, PPIG and District shall collaboratively define the anticipated costs and timeline for the Solar Project. This iterative process will include appropriate consultations between District Staff, PPIG and its representatives, and third-party consultants throughout the Term.
- (vi) During the Term, District and PPIG shall endeavor to confirm the list of anticipated entitlements, permits, and approvals from District and other government agencies necessary or desirable for the construction and implementation of the Solar Project, along with the related scope of environmental review.

(c) District Board Consideration of Any MOU or Master Agreement.

- (i) The MOU shall become effective only after it has been considered and approved by District Board at a public hearing called for this purpose, and subsequently executed by both PPIG and District. Upon execution of the MOU, this ENA shall continue in full force and effect for the remainder of the Term.
- (ii) The Master Agreement shall become effective only after it has been considered and approved by District Board at a public hearing called for this purpose, and subsequently executed by both PPIG and District. Upon execution of the Master Agreement by PPIG and District, this ENA shall, on the Effective Date of the Master Agreement, automatically terminate, and the Master Agreement shall thereafter govern the Parties' respective rights and obligations concerning the Solar Project.
- (d) PPIG Provision of Materials, Including Technical and Financial Analysis. To limit, to the extent feasible, District's financial risk in entering into this ENA and any negotiations of the MOU and the Master Agreement, the Parties acknowledge and agree that PPIG will be responsible for preparing all pertinent data, analyses, and studies necessary or desirable for PPIG to conduct its evaluation of the Feasibility of the Solar Project and for the Parties to consider entering into the MOU and the Master Agreement, subject to District's review as appropriate. However, District shall make good faith efforts to make its Staff and third-party consultants available to PPIG for consultation as necessary or desirable during the Term. The Parties agree that these materials shall be kept confidential to the extent provided under Section 10 below and that none of these materials shall be used by the Parties except to achieve the purposes of this ENA. The obligations of Section 7(d) shall survive the termination of this ENA.
- (e) <u>District Staff Right to Negotiate; Anticipated Substantive Provisions</u>. By approving this ENA, and subject to <u>Section 11</u> below, District Board directs District Staff to negotiate the MOU and thereafter the Master Agreement with PPIG for the Solar Project, as outlined herein. The MOU and Master Agreement are expected to include mutually acceptable terms and conditions in the following substantive areas, among other standard contractual

provisions and any other provisions that are mutually acceptable to the Parties: (1) Confirmation of the scope of facilities to be funded and constructed as part of the Solar Project; (2) Identification of estimated costs to construct the Solar Project, including "soft costs" (design, permitting and related environmental review, management, and coordination) and "hard costs" (actual construction costs) (collectively, "PPIG Costs"); (3) PPIG's agreement to fund the PPIG Costs, subject to acceptable terms, including those related to electrical power rights and sales, and identification of preconditions for funding and construction; (4) Solar Project timing milestones; (5) Risk mitigation strategies; (6) Appropriate cooperation provisions, including District's provision of Staff and consultant time, access via public rights of way, and temporary construction easements; (7) Identification of construction management and inspection responsibilities; (8) Provisions addressing the Parties' respective rights and obligations regarding electrical power rights and sales, and electrical power administration; and (9) Ultimate ownership of the Solar Project facilities and related operation and maintenance responsibilities.

8. Access to District Lands to Negotiate Master Agreement. Pursuant to Section 7(b)(i) above, District agrees to grant PPIG reasonable access to any District property or facilities necessary for its evaluation of the Feasibility of the Solar Project and for negotiating the MOU and the Master Agreement, provided PPIG presents reasonable evidence of adequate insurance coverage, naming District as an additional insured and waiving subrogation rights related to such access. PPIG shall defend, indemnify, and hold District harmless from all claims, liabilities, losses, damages, costs, and expenses arising from or related to this access, other than claims arising out of or related to District's gross negligence or willful misconduct.

9. Defaults and Remedies.

- (a) <u>Default</u>. In the event of a default, the non-defaulting Party shall provide written notice to the defaulting Party, specifying the nature of the default and the required action to cure it. If the default remains uncured fifteen (15) days after the defaulting Party receives such notice, the non-defaulting Party may exercise the remedies set forth in <u>Section 9(b)</u> or <u>Section 9(c)</u> below, as applicable.
- (b) <u>Exclusive Remedies for District Default</u>. In the event of a default by District, PPIG shall provide written notice to the District, specifying the nature of the default and the required action to cure it. If the default remains uncured fifteen (15) days after District receives such notice, PPIG may terminate this ENA and exercise any other remedies available to PPIG at equity or law.
- (c) <u>Exclusive Remedies for PPIG Default</u>. In the event of an uncured material default by PPIG, District's sole and exclusive remedy shall be the termination of this ENA. However, PPIG's obligation to reimburse District for Reimbursable Costs under <u>Section 2(a)</u> shall survive any such termination, and PPIG shall remain responsible for those reimbursement payments.
- (d) <u>Limitation on Damages</u>. Neither Party shall be liable to the other for actual damages resulting from any default hereunder, except for PPIG's obligations under <u>Section 2(a)</u> to reimburse District for Reimbursable Costs. Each Party expressly waives and releases any other

rights or claims it may have at law or in equity to recover monetary damages, including consequential, special, or punitive damages, from the defaulting Party.

(e) <u>Survival of Termination</u>. The Parties' rights and obligations under this <u>Section 9</u> shall survive termination of this Agreement.

10. Confidentiality of Information.

Any information provided by PPIG to District (whether in written, graphic, electronic, or any other form) (collectively, "Confidential Information") shall be subject to the provisions of this Section 10. Subject to the terms of this Section 10, District shall use good faith and diligent efforts to prevent disclosure of the Confidential Information to any third parties, except as required by the California Public Records Act (Gov. Code § 6250 et seq.) or other applicable local, state, or federal disclosure laws (collectively, "Public Disclosure Laws"). Notwithstanding the preceding sentence, District may disclose Confidential Information to its officials, employees, agents, attorneys, and advisors, but only to the extent necessary to carry out the purpose for which the Confidential Information was disclosed, consistent with the rights and obligations provided herein. PPIG acknowledges that District has not made any representations or warranties that any Confidential Information District received from PPIG will be exempt from disclosure under any Public Disclosure Laws.

In the event District's legal counsel determines that the release of any Confidential Information is required by Public Disclosure Laws, or by order of a court of competent jurisdiction, District shall promptly notify PPIG in writing of District's intention to release the Confidential Information so that PPIG has the opportunity to evaluate whether to object to said disclosure and/or to take whatever steps it deems necessary or desirable to prevent disclosure. However, District shall have no obligation to delay disclosure if such delay might violate applicable law. If the District's attorney, in his or her discretion, determines that only a portion of the requested Confidential Information is exempt from disclosure under the Public Disclosure Laws, District shall redact, delete, or otherwise segregate the Confidential Information that will not be released from the non-exempt portion to be released and notify PPIG of their actions.

PPIG acknowledges that in connection with District Board's consideration of any MOU or Master Agreement as contemplated by this ENA, District will need to present a summary of PPIG's anticipated costs and technical analysis to implement the Solar Project and the related revenue generation anticipated to result therefrom, along with such other information as may be reasonably required for a staff report accompanying the proposed MOU or Master Agreement. However, to the extent PPIG reasonably determines it is necessary to protect Confidential Information relating to financial, technical, and/or proprietary data, such information may be delivered directly to a third-party economic and/or technical consultant(s) (as appropriate), who shall sign a confidentiality agreement to prevent disclosure of the Confidential Information but who shall be permitted to provide District with a summary of said information consistent with the purposes of this ENA. If this ENA is terminated without the execution of a Master Agreement, District shall return to PPIG any and all Confidential Information upon the expiration of the two (2) year public record retention period required by the California Public Records Act.

If any litigation is filed seeking to make public any Confidential Information, District and PPIG shall defend the litigation at PPIG's cost, but such defense shall not require District to refrain from disclosure if that might violate applicable law.

This Section 10 shall survive termination of the ENA.

11. Limitations of this ENA.

This ENA (and any extension of the Term as provided under Section 1 above) does not obligate either District or PPIG to enter into an MOU or Master Agreement with any specific terms. By executing this ENA (and any extensions), District is not committing to any particular course of action regarding the entitlement and development of the Solar Project, and PPIG is not committing to pursue, fund, or construct the Solar Project or seek related land use entitlements. District's decision to enter into this ENA does not constitute a "project" under CEQA, and therefore no environmental review is required. The execution of this ENA by District and PPIG is merely an agreement to conduct a period of exclusive negotiations according to its terms, reserving for subsequent District action the final discretion and authority to decide whether to approve an MOU and thereafter a Master Agreement and all related proceedings, decisions, and determinations.

Any MOU or Master Agreement resulting from negotiations under this ENA shall become effective only after it has been considered and approved by District Board, following all legally required procedures, and executed by duly authorized representatives of District and PPIG. Until a Master Agreement is approved by District Board and executed by both Parties, no drafts, actions, deliverables, or communications arising from this ENA shall impose any legally binding obligation on either Party to enter into or support a Master Agreement or be used as evidence of any oral or implied agreement to enter into any other legally binding agreement.

This ENA, which pertains only to negotiating procedures and standards between District and PPIG, does not limit District's discretion in acting on any specific development applications for entitlements, permits, or approvals for the Solar Project (if and to the extent District has authority to do so). The Parties acknowledge that compliance with applicable environmental protection statutes (e.g., CEQA, and potentially NEPA) will be required in connection with the consideration of the Master Agreement and such entitlements, permits, and approvals to allow construction of the Solar Project. All costs of processing land use entitlements, approvals, and permits related to the Solar Project shall be borne by the Parties as specified in the Master Agreement.

12. General Provisions.

- (a) <u>Integration</u>. This Agreement represents the sole, final, complete, exclusive, and integrated expression of the terms of this contract between the Parties concerning the subject matter addressed herein, superseding all prior negotiations, representations, or agreements, whether oral or written, related to the subject matter of this ENA.
- (b) <u>Construction and Interpretations</u>. The Parties acknowledge and agree that this ENA has been negotiated, and each Party has had a full and fair opportunity to revise its terms.

- (c) <u>Severability</u>. The invalidity, illegality, or unenforceability of any provision of this ENA shall not affect the enforceability, validity, or legality of the remaining provisions.
- (d) <u>Relationship of Parties</u>. Neither PPIG nor its agents or contractors shall be considered agents of District in connection with the performance of PPIG's obligations under this ENA.
- (e) <u>Amendment</u>. This ENA may be modified or amended only by a subsequent written agreement approved and executed by both Parties.
- (f) <u>Governing Law</u>. Except as otherwise required by law, this Agreement shall be interpreted, governed by, and construed under the laws of the State of California.
- (g) <u>Notices</u>. Any notice, invoice, or other communication required or permitted under this ENA shall be in writing and either served personally or sent by prepaid, first-class U.S. mail, addressed as follows:

<u>PPIG</u>: Private Public Infrastructure Group, LLC

2850 Collier Canyon Road Livermore, CA 94551 Attn: William J Miller

<u>District:</u> Byron Bethany Irrigation District

7995 Bruns Road

Byron, CA 94514-1625

Attn: Edwin R. Pattison, General Manager

- (h) <u>Counterparts</u>. This ENA and any and all amendments thereto may be executed in multiple counterparts, and all counterparts together shall be construed as one document.
- (i) <u>Authority to Execute</u>. Each Party hereto expressly warrants and represents that it has the authority to execute this ENA on behalf of its respective entity and warrants and represents that it has the authority to bind its respective entity to the performance of its obligations hereunder.
- (j) <u>Captions</u>. The caption headings and subsection headings provided herein are for convenience only and shall not affect the construction of this ENA.
- (k) <u>Recitals</u>. The Recitals in this ENA constitute part of this ENA and each Party shall be entitled to rely on the truth and accuracy of each such Recital.
- (l) <u>Time of Essence</u>. Time is of the essence of every provision hereof in which time is a factor.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Effective Date.

BYRON BETHANY IRRIGATION DISTRICT STAFF REPORT

TO:

THE HONORABLE PRESIDENT AND MEMBERS OF THE BOARD

FROM:

SOMACH, SIMMONS & DUNN

DATE:

JANUARY 21, 2025

SUBJECT:

QUITCLAIM COST REIMBURSEMENT AGREEMENT

RECOMMENDATION

Approve the form Quitclaim Cost Reimbursement Agreement (Agreement) that must be executed prior to Byron Bethany Irrigation District (District) staff, counsel, and/or consultants undertaking any action in response to a request made by a recorded owner of a parcel, which is subject to an easement held by the District, for the District to quitclaim its interest(s) therein.

DISCUSSION

When the Board approves recording a quitclaim deed for an easement, BBID is relinquishing an interest in real property that benefits mostly – if not exclusively – the landowner. In all cases, the party requesting quitclaim deed (Applicant) must reimburse the District for its staff, legal, and engineering costs associated with the review, drafting, and recording of the deed (costs and fees). In some cases, the Board may also condition recording the quitclaim deed upon payment of the appraised value of its easement. Prior to the District processing a quitclaim deed request, however, an Applicant must execute the Agreement and pay the required \$3,000 deposit. The Agreement provides the processes through which the District will invoice the Applicant for the costs and fees incurred associated with the request. Upon the District Board of Director's (Board) approving the Agreement, District staff will execute the Agreement with the information specific to an Applicant (e.g., name, location of property, etc.) without

returning to the Board. Staff will return to the Board, however, for Board review and approval to execute any quitclaim deed that may result from the request.

The Board discussion in reviewing the Agreement includes at least the following issues: (1) whether the terms and conditions of the Agreement are clear and complete; (2) whether the reimbursement process captures the District's billing preferences and is accurately described; and (3) what, if any, amendments should be made to the Agreement prior to approval.

BACKGROUND

The District holds numerous easements for water conveyance and delivery infrastructure throughout its service area. In response to growing requests to relinquish recorded easements, the District will consider requests from landowners to relinquish the District's interests in easements on a case-by-case basis. Provided the Board is satisfied that an easement is no longer necessary or useful to current or future District operations, the Board will generally approve recording a quitclaim deed for the easement. When the Board approves recording a quitclaim deed for an easement, BBID is relinquishing an interest in real property.

FISCAL IMPACT

To be determined, but requiring private landowners to pay a portion or all of the District's expenses related to quitclaims should provide financial savings to BBID.

ATTACHMENTS

Form Quitclaim Cost Reimbursement Agreement

BBID QUITCLAIM COST REIMBURSEMENT AGREEMENT

THIS QUITCLAIM COST REIMBURSEMENT AGREEMENT (Agreement) is effective on the date it is duly executed by both [NAME], (Property Owner), and Byron Bethany Irrigation District (BBID), an irrigation district organized and existing under the laws of the State of California. This Agreement may refer to Property Owner and BBID individually as a "Party," or collectively as "Parties." The Parties must execute this Agreement before BBID will commence processing a quitclaim deed request.

RECITALS

WHEREAS, Property Owner owns certain real property located in BBID's service area as more specifically described as [XXX] County Assessor's Parcel Number [APN number] (Property). The Property is subject to an easement interest held by BBID (Easement), which Property Owner now desires to eliminate;

WHEREAS, BBID generally relinquishes its interest in easements through executing a quitclaim deed;

WHEREAS, the BBID Board of Directors (Board) must approve all requests for quitclaiming BBID easements and may decline such requests to quitclaim such interests where it determines, in its sole and absolute discretion, that retaining the easement is in the best interest of BBID and its purposes;

WHEREAS, by executing this Agreement, the Property Owner understands that the process of preparing, reviewing, approving, and executing the quitclaim deed will result in BBID relinquishing an interest in real property that benefits mostly, if not exclusively, the Property Owner. Accordingly, this Agreement sets forth the terms and conditions by which a Property Owner shall reimburse BBID for all costs and fees incurred by BBID related to quitclaiming its interest in the Easement; and

NOW, THEREFORE, in consideration of and subject to the mutual covenants contained herein, the Parties agree as follows:

1.0 BBID Costs Reimbursement

- 1.1 <u>Reimbursement</u>. BBID is entitled to reimbursement for the costs and fees it incurs in preparing, reviewing, approving, executing, and recording the quitclaim deed, including but not limited to BBID staff, engineering, consultant, and/or attorney (collectively, "BBID Personnel") time, as well as recording and mailing fees and costs (Costs).
- 1.2 <u>Payment for Property Interest Value</u>. Depending upon the extent of an easement, the Board may condition recording the quitclaim deed upon payment of the appraised value of

its Easement. The Board will notify the Property Owner of its discretion to exercise this right as soon as practicable, which shall be prior to recording the quitclaim deed.

- 1.3 <u>Deposit</u>. Each request for a quitclaim deed must be accompanied by a \$3,000 deposit, which BBID will use to pay its Costs incurred in the process of preparing, reviewing, approving, executing, and recording the quitclaim. Because the quitclaim deed is for the express benefit of the Property Owner and not BBID's constituents at large, as a public agency, BBID must recover all Costs related to the request.
- 1.4 <u>Commencement of Processing</u>. BBID will not commence processing a quitclaim deed request until the applicant executes this Agreement and pays the required deposit of \$3,000.
- 1.5 <u>Invoice</u>. If the Board approves execution of the quitclaim deed, General Manager shall prepare (or cause to be prepared) an electronic invoice to Property Owner for all BBID Costs (as described in Section 1.1) and, if applicable, the appraised value of the Easement (described in Section 1.2). To preserve BBID's attorney-client and attorney work-product privileges, any legal and consulting services provided to BBID will be billed as a direct line item on the Invoice. The Property Owner is not entitled to copies of BBID's legal invoices.
- 1.6 <u>Payment of Invoice</u>. If the Invoice is for a Costs less than the \$3,000 deposit, BBID will credit the deposit funds thereto and show such credit on the Invoice, then record the quitclaim deed. BBID will return the balance of the deposit, if any, via check within ten (10) business days of recording. If the Invoice is for Costs that exceed the \$3,000 deposit, BBID will credit the deposit funds thereto, show such credit on the Invoice, then note the remaining Costs due under the Invoice. <u>BBID will not record the quitclaim deed until Property Owner's</u> balance due for any Invoice is zero.
- 1.7 <u>Payment Due Date</u>. Payment of all Costs must be made within fifteen (15) business days of the date of the Invoice.
- 1.8 Recording. Once the Invoice is paid in its entirety, BBID will record the quitclaim deed with the applicable County Recorder's Office. BBID staff will send a courtesy copy of the recorded quitclaim deed via certified mail to the Property Owner's mailing address, as provided by the Property Owner in its request for a quitclaim deed.

2.0 Assignment.

Property Owner has no right to sell, assign, or transfer its obligations or rights under this Agreement without the prior written consent of the BBID General Manager, whose consent shall

not be unreasonably withheld. To the extent such consent is provided, this Agreement shall be binding upon and inure to the benefit of the successors and assigns of the Parties hereto.

3.0 Indemnity.

Property Owner agrees to defend, indemnify, and hold harmless BBID, BBID Personnel, and its Board of Directors from all claims, actions, or proceedings against BBID, BBID Personnel, and its Board to the extent they attack the adequacy, sufficiency, and/or legality of any decision made by BBID hereunder.

4.0 Governing Law and Venue.

The validity, interpretation, and enforcement of this Agreement and each of its provisions shall be governed by the laws of the State of California, without regard to its conflicts of law principles. Venue shall be in Sacramento County or the United States District Court for the Eastern District of California, Sacramento Division.

5.0 Amendment and Termination.

The Parties may amend this Agreement by a written instrument duly executed by both Parties. The term of this Agreement shall commence as of the Effective Date and shall expire upon full payment of all Invoice(s) and return of deposit, if any. Termination of this Agreement by Property Owner shall not extinguish Property Owner obligation to pay all Invoice(s) and/or Costs owed under this Agreement.

6.0 Notice.

All notices and communication anticipated or required by this Agreement shall be in writing and addressed to the persons below. If a Party desires to supplant an address or addressee listed below for another, that Party must provide the other Party with written notice (as provided below) of the change.

As to BBID:
Edwin Pattison
General Manager
Byron Bethany Irrigation District
7995 Bruns Road
Byron, CA 94514
e.pattison@BBID.org

As to Property Owner:

7.0 No Third-Party Beneficiaries.

This Agreement is neither intended to, nor shall be construed to, create rights, remedies, or benefits of any character whatsoever in favor of any person, corporation, association, or entity other than the Parties, and the obligations herein assumed are solely for the use and benefit of the Parties, their successors in interest, and, where permitted, their assigns.

8.0 Waiver.

- 8.1 <u>Effect of Failing to Demand Strict Performance</u>. The failure of a Party to this Agreement to insist on any occasion of strict performance of any provision of this Agreement will not be considered a waiver of any such obligation, right, or duty imposed upon such Party.
- 8.2 <u>Limited Scope of Waiver</u>. Any waiver at any time by either Party of its rights, conditions, and obligations with respect to this Agreement shall not be deemed a continuing waiver or a waiver with respect to any other failure to comply with any other obligation, right, or duty of this Agreement.
- 8.3 <u>Writing Required</u>. Any waiver of this Agreement shall, if requested, be provided in writing, and the Party receiving the waiver must agree in writing to such waiver.

9.0 Counterparts.

This Agreement may be executed in counterparts, each of which is deemed an original, and all of which, together, constitute one and the same instrument.

10.0 No Partnership.

This Agreement shall not be interpreted or construed to create an association, joint venture, agency relationship, or partnership between the Parties, nor to impose any partnership obligation or partnership liability upon either Party. Neither Party shall have any right, power, or

authority to enter into any agreement or undertaking for, or to act on behalf of, or as an agent or representative of, or to otherwise bind, the other Party.

11.0 Severability.

If any provision or portion of this Agreement shall for any reason be held or adjudged to be invalid or illegal or unenforceable by any court of competent jurisdiction, then: (a) such portion or provision shall be deemed separate and independent; (b) the Parties shall negotiate in good faith to restore, insofar as practicable, the benefits to each Party affected by such ruling; and (c) the remainder of this Agreement shall remain in full force and effect.

12.0 Integration.

This Agreement comprises the entire integrated understanding between the Parties concerning the terms of this Agreement. This Agreement supersedes all prior negotiations, representations, or agreements.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized officers or agents on the day and year first above written.
